

# *We Are Pleased To Announce Sonoma/San Francisco 2015 Executive Seminar March 7-14, 2015*

UTCA's 2015 Executive Seminar is scheduled for March 7-14 in Sonoma, California and San Francisco. Sonoma is known as the birthplace of California's wine industry. This seminar will also include a visit to San Francisco which is a popular destination for visitors from around the world and known for its diverse neighborhoods.

While in Sonoma, attendees will enjoy rooms at the Renaissance Lodge from March 7-11, 2015. For our visit in San Francisco, the group will stay at the Marriott Marquis from March 11-14, 2015. You may want to extend your visit until Sunday, March 15, 2015 at our group rate.

Since the dates of our trip are during the best time to visit the area we are only able to obtain 45 rooms at each location. We urge those who want to attend the 2015 Executive Seminar to reserve their rooms as soon as possible.
