

UTCA Construction Safety Seminar

New OSHA Silica Standard Training

Saturday, December 9, 2017

7:30am Registration & Continental Breakfast

7:45am - 11:00am Program

Last year the Occupational Safety and Health Administration (OSHA) issued the new Silica Standard for Construction. The new rule went into effect on Sept. 23rd. and provides added protections for employees working on construction projects who are exposed to respirable crystalline.

***All firms must now be in compliance
with the new standard !***

***Training and awareness in OSHA's Silica Standard is mandatory for any person
working with exposure to Crystalline Silica***

All new standards rules and key provisions especially Table 1, will be covered at the seminar including:

**New PEL
Engineering Controls
Restrictive Housekeeping Practices
Training
Exposure Plan
Competent Person**

The registration fee for this seminar is \$100.00 per person. Those who complete the seminar will receive a wallet size certificate of attendance for their use. This certificate serves as evidence of the **training** on the new "Construction Standard for Silica" for OSHA.

The seminar will include a continental breakfast. This program will be held at the UTCA office in Farmingdale, New Jersey. Directions to the UTCA office can be obtained on the association website at www.utcanj.org.

Please contact Dan Neville at (732) 292-4300 with any questions you may have regarding this seminar.

**[The UTCA Conference Center is located at:
1670 Route 34 North, Farmingdale, NJ 07727](http://www.utcanj.org)**
